FOR THE ATTENTION OF MR MARK Smith

Dear Mark,

Further to our conversation regarding the valuation of your Bell Helicopter 206 BIII. I am happy to confirm that your aircraft registered A2-HAN with below listed specification has a current market value of US\$570.000.00 and a distressed sales value of US\$ 500,000.00. This helicopter has recently just under gone considerable heavy maintenance as can be reflected on the status on this helicopter and therefore mechanically is in good condition .

A2- HAN
